**2013 ARENA VIN DE FRANCE BLANC
"CUVÉE KERMIT LYNCH"**

Corsica, France

50% Vermentinu, 50% Bianco Gentile

Kermit noticed early on Bianco Gentile's tendency to veer toward the plump, round, rich side of the spectrum. So he and Antoine Arena decided to blend together a tank of Vermentinu and a tank of Bianco Gentile. Half and half, as one isn't better than the other, they're simply so different. Like a great bassist or a great guitarist, or a world-class tenor compared to a soprano. Neither is better per se, but the two performing together perhaps provides the richest experience. The two grapes work so well together we have to wonder if this was the way things were done back in the day.
