**2016 NIN-ORTIZ "SELMA DE NIN"
BLANCO**

Catalonia, Spain

25% Perellada Montonega, 25% Chenin
Blanc, 25% Roussanne, 25% Marsanne

It has a reductive character à la Coche-Dury, and on the nose, there are some notes that are reminiscent of diesel, along with some varietal notes from the Marsanne and the Roussanne. The palate has great acidity and is lively and young, vibrant and mineral, with a long, dry and salty finish. This has a strong personality that goes beyond the varieties and the general character of Penedès, as it's inside its limits in a higher altitude (750 meters).
