2019 BIMBACHE JOHN STONE BLANCO

Canary Islands, Spain

0% Listán Blanco, 0% Diego

It has a tender personality, reminiscent of some of the young ouillé whites from Jura but not really marked by the flor, which is very subtle, with notes of fennel and herbs. The wine has higher acidity and a touch of salinity. This should develop nicely in bottle, and with the acidity it has, it should be long lived.
