2020 BIMBACHE BLANCO

Canary Islands, Spain

0% Pedro Ximénez, 0% Gual, 0% Baboso Blanco, 0% Listán Blanco, 0% Diego

It's very clean, volcanic and somewhat reductive but sapid, with grip and juicy texture and a salty finish. The vines are close to the sea and have a lot of marine influence, in saltiness and freshness. They managed to get the poise in this very warm and challenging year, and the wine shows the character of the year here, surprisingly balanced, fresh and restrained.
