2021 Jonata "La Flor" Sauvignon Blanc

IMPORTED BY IPO Wines

ABOUT THE PRODUCER

Dedicated to expressing a range of red—and a handful of white—wines from its estate in the central coast of California's Ballard Canyon (Santa Ynez Appellation), Jonata is one of a new breed of producers throughout the world who are thriving with a non-traditional amalgam of varieties and blends. With a commitment in particular to Cabernet Sauvignon, Cabernet Franc and Syrah, and informed by cutting edge viticulture, winemaking and a polyface approach to their estate, the Jonata wines are on the vanguard of an emerging quality movement in California winegrowing.

The name Jonata pays homage to the 1845 Spanish land grant, Rancho San Carlos de Jonata. At the time the land grant covered a large part of the Santa Ynez Valley. Today's Jonata is at the heart of the former land grant. The Jonata name was borrowed by the first pioneers from the local Chumash Indian and means "tall oak." Jonata is the embodiment of land, soul, and people coming together for a common goal; to produce singular wines from a singular place.

Land - Jonata is a goldilocks state within Ballard Canyon. Not too hot, not too cold. Just right. Blend of coastal cool & inland warmth. Diurnal shifts up to 40 degrees hold acidity and freshness. Rolling hills with a high concentration of Careaga sand run through the estate. A challenging landscape for cultivation and a key element to the qualities of Jonata.

Soul - Timeless and diverse practices are in place to create health and community at Jonata. Our roots reach great depths in our sand to develop our trademark tannin structure. Polyface farming practices are implemented to create a diverse and sustainable ecosystem, utilizing a blend of sustainable practices that continue to build the health of Jonata. Vines, orchards, olive trees, native oak, sheep, goats, pigs, chickens, turkeys, bees, and visiting coyotes, boars and mountain lions thrive. Each with qualities that create a rich environment.

People - Since 2004, a consistent team remains at the core. Winemaker Matt Dees and Vineyard manager Ruben Solorzano combine their experiences in winemaking, soil science and farming expertise to help Jonata thrive. Growing with the land: much of the team works in the vineyard and winery, creating a diverse set of skills and qualities that help provide depth of knowledge and experience. Available for New Jersey accounts only.

WINE NOTES

11 months in 1/3 new French oak, 1/3 neutral French oak and 1/3 stainless tank.

"Already a remarkably seductive wine even at this early stage. Like so many of the 2021 wines, it is graced with a profound aromatic expression. Honeysuckle, lime curd and chamomile. Grapefruit peel and nutmeg. Strong notes of lime zest and wildflower honey on the broad and generous mid-palate. The wine is already so harmonious, but its energy and tension will no doubt carry it beautifully in the cellar for a decade on the path of evolution. Notes of galangal and loquat push with the long and luxurious finish. Everything in its right place." - Matt Dees, Winemaker
